Hi Rohit,

I have attached the signed MOU. Once signed on your end, please send me a scanned copy.

I believe we should be set for the "onboarding" now.

Chief Hyrkas,

Thank you for your email. I will be presenting to Officer Pluviose this Thursday. Once that is complete, I will make the introduction to your Account Manager and we will coordinate the onboarding. During onboarding, more information will be shared with you, which will include a press release for Crystal Lake Police Department. The press release will provide you with a texting option that will be unique to Crystal Lake Police Department.

The 2 events that need to take place prior to the move to onboarding would be the following:

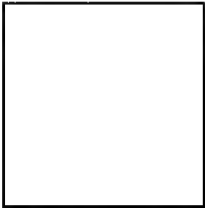

- Present to Officer Pluviose - I will be doing so this Thursday.
- Receive a signed MOU from you, that will then be shared with our legal team for signature.

Once these 2 steps are complete, I will be able to make the introduction to your Account Manager, which will then be followed by onboarding. Please let me know if you have any questions.

Thank you for your time.

Sincerely,

Rohit D. Murti

Hello Murti,

I took the liberty of amending the suggested press release. Please review and let me know if it is acceptable.

Also note that I did not change the language (in red font) regarding downloading the app. It remains the Frederick PD texting option. Will we have our own texting option? If so, please provide that so I may make the last amendment.

I still have to prepare some materials for our City manager and City Council, so we are likely still a few weeks out from launching the program.

Neighbors by Ring Memorandum of Understanding

This agreement is entered into this _____ day of _____, 2019 by and between Ring LLC ("Ring") and Crystal Lake Police Department ("Agency"), (collectively the "parties") and will provide Agency access to the Neighbors Portal to communicate with users of the Neighbors app ("Ring Neighbors") and encourage community engagement as we work together to make Crystal Lake's ("City") neighborhoods safer.

- Neighbors by Ring app ("Neighbors App") is a digital neighborhood watch that both law enforcement and the public may access free of charge by downloading the Neighbors App (iOS and Android).
- The Neighbors App allows users to share and comment on real time crime and safety events in their neighborhood.
- As part of the program, Agency may:
 - Utilize the critical crime and safety events that are posted in the Neighbors App by Ring Neighbors to assist in law enforcement operations and investigations; and
 - Post information relating to critical incidents and other incidents in the app to keep Ring Neighbors informed regarding issues in their neighborhoods.

With an understanding that a robust, active and engaged user community is essential to the immediate, sustained and ongoing success of the program, the parties agree to the following responsibilities:

Ring

- Make the Neighbors App available to City residents free of charge.
- Make the Neighbors Portal available to Agency free of charge, including ongoing support and training for Agency employees.

Agency

- Maintain appropriate access controls for Agency personnel to use the Neighbors Portal.

Press Release

The parties shall agree to a joint press release to be mutually approved by the parties. Neither party may use the other party's name, logo, or likeness in any advertising or press release without prior written approval of the other party. Notwithstanding the foregoing, Ring shall be permitted to provide in-app alerts to Ring Neighbors announcing Agency's participation in the Neighbors App.

Term

Agency's participation in the program shall commence upon Agency's acceptance of these program terms. Either party may terminate Agency's participation in the program at any time by providing 30 days' written notice to the other party; provided that in the case of material breach of this Agreement by the Agency, Ring shall only be required to provide three days' written notice to Agency.

Privacy and Terms of Use

Ring will not provide any customer personal information, including video footage, to Agency without the prior

consent of the owner or properly issued legal process that complies with federal and state law, as applicable. Agency agrees to use the Neighbors Portal only as expressly authorized by Ring and only in connection with bona fide Agency work. Ring's terms of service and privacy notice, as posted on Ring.com, shall apply to all uses of the Neighbors App and, as applicable, the Neighbors Portal.

Compensation

At no point shall either party receive compensation from each other as a result of this program.

Confidentiality

Unless otherwise required by law, the Parties shall not disclose the terms of this program or any information that is designated as confidential or that, given the nature of the information or the circumstances surrounding its disclosure, reasonably should be considered as confidential.

My address is [REDACTED]

I talked with Detective Will at the police station to show him the ring video clip before realizing I can email them to you directly.

The previous 8:57 am time stamped video clip was sent because the blue pickup truck was parked on Brentwood outside of my kitchen window a little way down closer to Huntington Drive. I don't think I've seen that truck before and that's why I felt it necessary to send it to you. Detective Will suggested I send all of my videos within the time slot you requested.

I hope you find the boy.

Hello:

We live at [REDACTED] off North Shore Drive. Don't know if this footage is helpful from our Ring 4/15/2019 at 1:20. A random ford transport van can down our road pulled up to lake, no one got out, sat for a few minutes and then backed out an exited out street.

Check out this video I captured on my Ring device.

[REDACTED]

After discussing further with [REDACTED] it appeared to him that that blue pickup truck was headed to work at a house for sale on Brentwood Dr. just a few houses down where it stopped. But we don't remember seeing that truck around.

I hope you find A.J.
